- I. If you were asked to create a YouTube/Podcast channel, what kind of programs would you make? Would they be long or short? Funny or serious? Solo or with guests? Packed with high-brow knowledge or low-brow nonsense? Please share your YouTube/Podcast (**CHOOSE ONE**) project in detail in about **200 WORDS**. (40%).

- II. Write a **THREE-PARAGRAPH** article based on the following guideline (**WORD LIMIT: 250-300 WORDS**) (60%).
You are the best scientist in the year 2050. You are famous for your invention of a time machine. Finally, after hundreds of tests and trips back to the past, today you yourself are going back to the past. In fact, you want to break the rule of time travel and try to change the course of history. Now, tell me, what time are you going back to? What are you trying to change?
